Behaviour Modification

Sources consulted in preparing this bibliography include the Bibliographie du Québec, British Education Index (The Library Association), the Canadian Education Index (CCRI), the Cumulative Book Index (Wilson's), the Current Index to Journals in Education (CJME), the Directory of Education Studies in Canada (CEA), the Education Index (Wilson's), Research in Education (ERIC), and Research Studies in Education (Phi Delta Kappa). The period covered is approximately five years.

Abstracts of material with an ED number may be found in Research in Education. If marked "Available ERIC", hard copy or microfiche copies may be purchased through the Education Document Reproduction Service of the ERIC system.

Material held in the CTF Library is marked with a single asterisk. The Library is also purchasing microfiche copies of the ERIC documents available. A double asterisk appears beside those titles, indicating the material is available on loan in microform only.
